Roaring Twenties

Fund Raising Party

Invitation

Chateau Sainte Anne

Brussels

Every year

Rotary Club Tervuren

organizes a major fund raising event to support local charitable organisations. This year we want to help CAW to set up a support program in the Tervuren area for children of parents who are undergoing a difficult divorce process and MIVAVIL to buy professional garden tools so that they can accept more assignments for their staff with a work disability

The evening starts at

19.00h with a wonderful dinner and the silent auction of items which members of the Rotary Club Tervuren and many other supporters have donated for our charitable projects

After dinner and auction it is time to dance

Come and join us!
